Naples High School Golden Eagle Band Program Intention Form

Due June 2, 2022 for New and Returning Members

The design of our field show is based on a specific number of students, and a specific breakdown by instrument. In order to begin creating the show, our design team must have an accurate account of every member that will be performing. As the field show is customized to the exact specifications of our ensemble, we must have correct information to be prepared for our program beginning in June.

It is completely understandable that entering into a new organization with very high expectations can be overwhelming, especially in the beginning. Nervousness, fatigue, frustration, and all of the other emotions that come along with entering into a challenging activity are normal reactions. All of the returning students had the same feelings, and nearly all of them will tell you that they feel much different now. For many, marching band season has become their favorite part of the year!

Please complete this form now so we may determine our numbers. We need a parent AND student signature on the form.
