

Naples High School Band Program Intention Form

Due April 27, 2023 for New and Returning Members

The design of our field production is based on a specific number of students, and a specific breakdown by performers. In order to begin creating the final layout of the show, our design team must have an accurate account of every member that will be performing. As the field show is customized to the exact specifications of our ensemble, we must have correct information available as we finalize the program.

It is completely understandable that entering into a new organization with very high expectations can be overwhelming, especially in the beginning. Nervousness, fatigue, frustration, and all of the other emotions that come along with any challenging activity are normal. All of the returning students had the same feelings, and nearly all of them will tell you that they feel much different now. For many, marching band season has become one of their favorite parts of the year! Please complete this form now so we may determine our numbers. We need a parent AND student signature on the form.

Please initial the following:
