Here's how it works

1

Once you register your student and pay their deposit, you'll receive a **personal donation link** that you can share with family and friends via email, social media or however you'd like.

2

Donors will use the link to **safely contribute any amount** they'd like to your student's trip. The minimum donation is \$25; donors can use a credit or debit card (4% fee applies).

3

Donations will immediately appear on your student's payment timeline.
It's that easy!

Here's why you'll love it

- It's fast and easy. It only takes a few minutes to share your link, and many students have raised hundreds of dollars in donations!
- Your student and their school will have less fundraising to do.
- Your family and friends will be excited to participate!

Tips & tricks

- Share the link immediately with grandparents, cool aunts, quirky next-door neighbors, anyone.
- Send them a reminder around birthdays, the holidays and as the final trip payment approaches. This is the perfect gift for relatives who never know what to buy!
